

## Photography Policy

Solent Running Sisters may wish to take photographs (including video footage) to be used to promote club activities and celebrate the successes of the club.

These photos may be published internally within the club such as posted on the club Facebook pages and whatsapp groups or externally such as published on the club website and Instagram and used on promotional materials or provided to press agencies. The following guidance shall be followed to protect both the club reputation and the safety of the individuals featured in the photos:

- It will be assumed that club members have consented to the use and publication of their image unless there is reason to believe they would refuse consent or lack the capacity to give it.
- out of courtesy please seek permission from people before sharing photos taken within a members home.
- Any member may request that their image is not used for website or social media. Any published photograph will be removed if requested.
- Photos published will show individuals in a state of decency, and not imply any condition that may be damaging to reputation.
- Photos published publicly will not identify the names of the individuals unless prior permission is granted.
- The club cannot take responsibility for the photos taken by individuals who are not members of the club, however best endeavours to protect the wishes of individuals will be made.
